As agreed, this comprises our complete response to your information request, and you must submit a new request for any additional Agency records.

Best regards,

Lenny:

Having considered this carefully, I would like to narrow my request for information as follows:

Please supply copies of all records, including but not limited to photographs and inspection reports, concerning locations where EPA has observed Agremax within 0.5 miles of a river, stream, or other watercourse.

Please give me a call to discuss logistics. If the records are not voluminous or are available electronically I would be could pay upto \$100 for copy fees, otherwise I would prefer to inspect the records before paying for any copying.

Thanks a lot.
